EXPERIENCE

MERN Stack Developer VOH Technologies

10/2022 - present

Lahore

Description

- I'm working here as a MERN Stack developer with a leading role. I worked on NEXT.js and different Payment Gateways Integration. I develop more than 5 web apps there and deployed them on the Nginx web server with ubuntu.

Shopify App Developer QF Network

08/2022 - 02/2023

Karachi - remote

IT Services

Description

- I worked here as a MERN Stack React. I use to make Shopify Apps in NodeJS with Express as Framework for High-Level and Shopify API Integration with MySQL as a database along with React as Frontend. I never want to leave them but due to the mishap of migration from Lahore to Karachi, I need to switch.
